

Login screen validation

Url: <https://teleconsulta.stg.iron.fit/login>

First Scenario: Login Approval.

Step 1:

When accessing the iron domain url to log in, you **must** return to the homescreen with forms to fill in credentials:

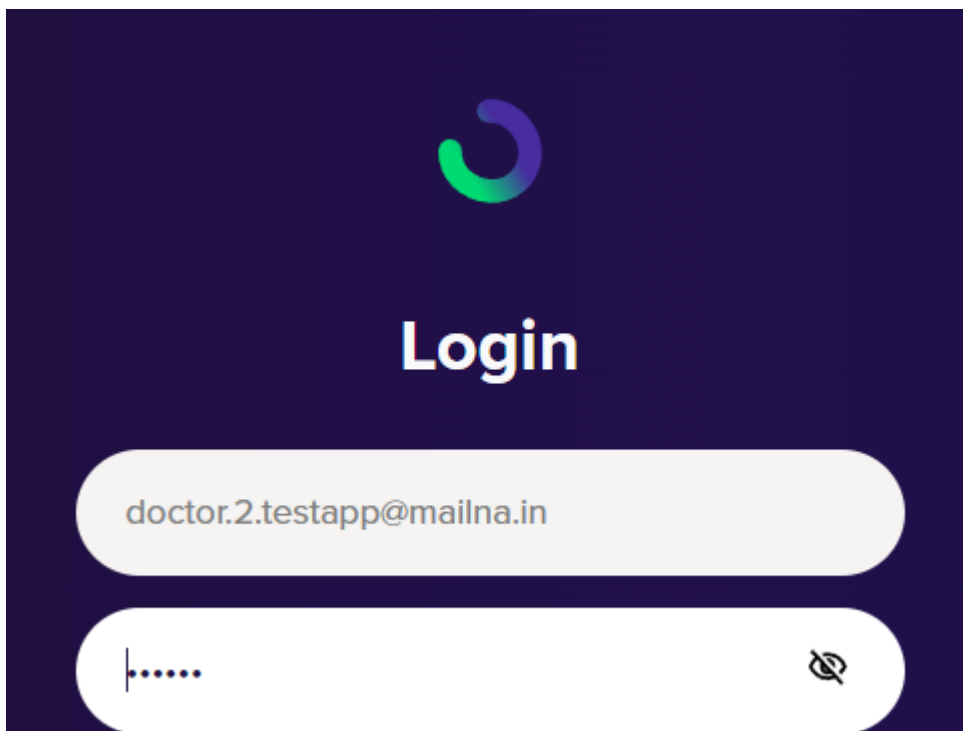

A login form on a dark blue background. It consists of two white, rounded rectangular input fields. The top field is labeled 'E-mail' and the bottom field is labeled 'Senha' (Password). To the right of the 'Senha' field is a small icon of an eye with a diagonal line through it, indicating a toggle for password visibility.

Step 2:

Login with valid credential data:

E-mail: doctor.2.testapp@mailna.in

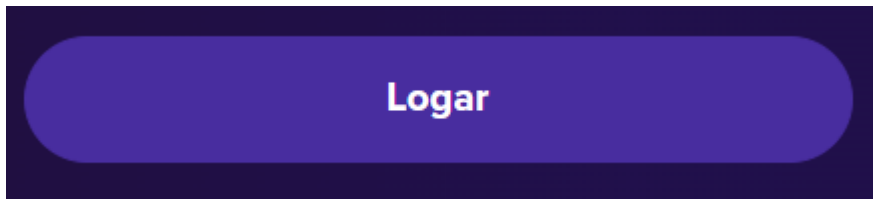

Senha: 123456

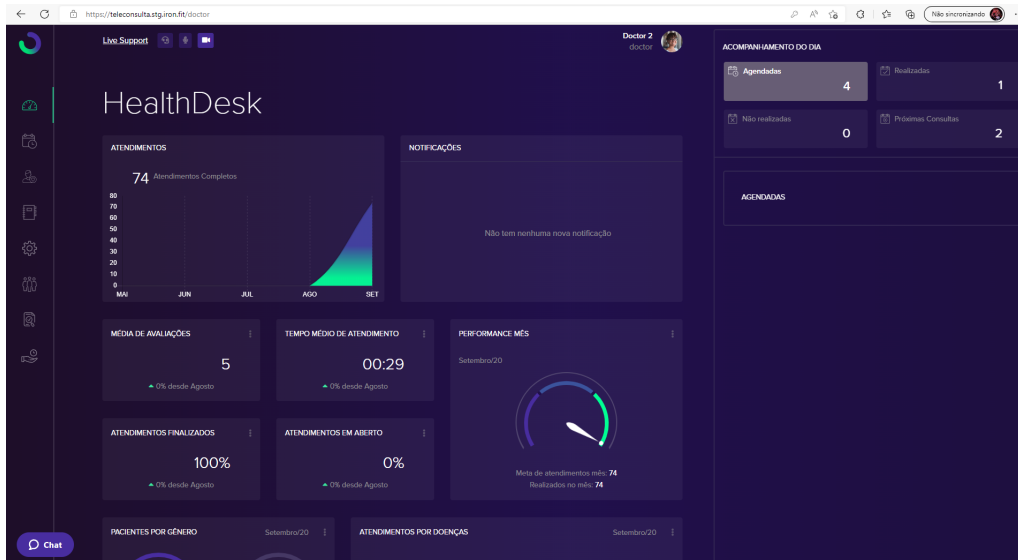

A login form on a dark blue background, similar to the one in Step 1. It features a circular logo at the top center, composed of two curved segments in green and blue. Below the logo, the word 'Login' is written in large, white, bold letters. The form has two white, rounded rectangular input fields. The top field contains the email address 'doctor.2.testapp@mailna.in'. The bottom field contains a series of dots representing a password, with a small icon of an eye with a diagonal line through it to its right, indicating a toggle for password visibility.

Step 3:

You must click on "LOGAR"

Must be redirected to homepage:

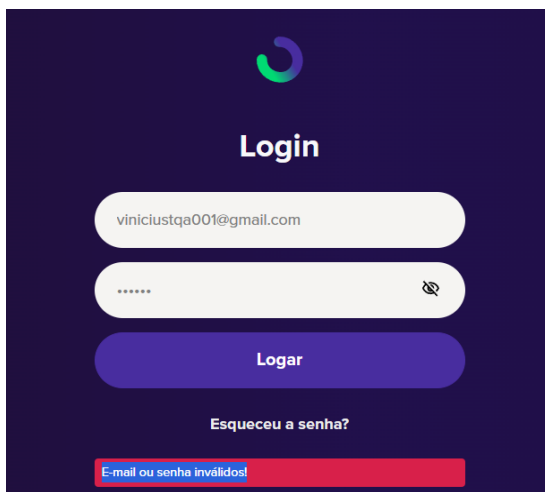

=====

Second scenario: Incorrect user.

Repeat the first and second steps, but if the user does not have the correct password or e-mail, he must return the message:

E-mail ou senha inválidos!

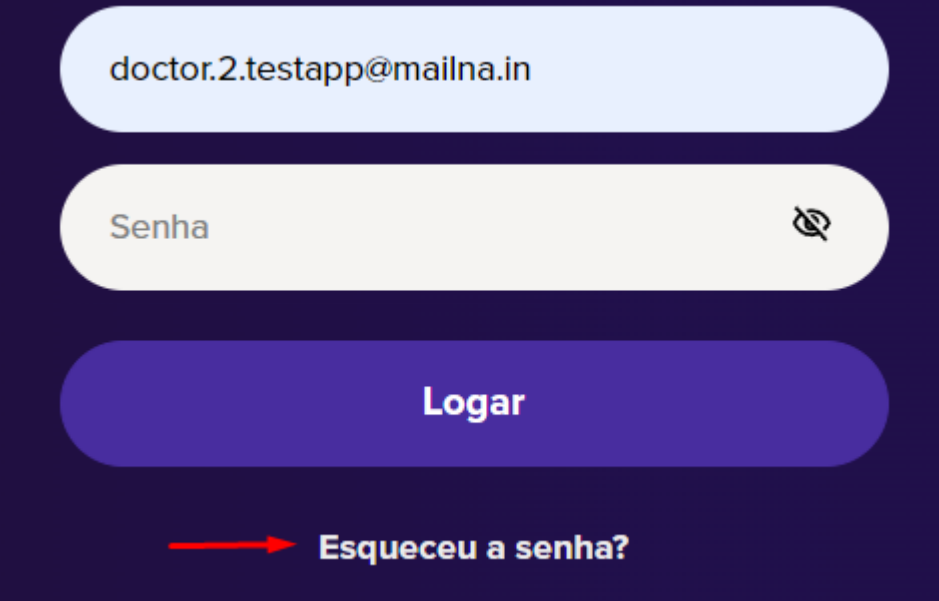

The login form has the following elements:

- Logo at the top.
- Login** title.
- Email input field containing 'viniciustqa001@gmail.com'.
- Password input field with masked characters '*****' and a visibility toggle icon.
- Logar** button.
- [Esqueceu a senha?](#) link.
- Red error message bar at the bottom: **E-mail ou senha inválidos!**

=====

Third Scenario: Forgot Password.

doctor.2.testapp@mailna.in

Senha 

Logar

 [Esqueceu a senha?](#)

When the user forgets the password he **must** click on the hyperlink "Esqueceu a Senha?" He will be **redirected** to the email page where he wants to receive the request **to create a new password**.

Esqueci minha senha

viniciustqa001@gmail.com|

Enviar

Voltar

Sucesso, verifique seu e-mail!

When the e-mail you want to receive is placed, you must click on the "Send" button, the message will be returned: *Sucesso, Verifique seu e-mail!*

In the inbox of the email will have the body of the message

:

By clicking on the change password button, you will be redirected to the page that will create the new password.

The image shows a dark purple rectangular form. At the top is a small logo with a green and blue arc. Below it is the title "Troque sua senha" in white. There are three input fields: the first is labeled "Criar nova senha", the second is labeled "Confirme a senha", and the third is a purple button labeled "Confirmar".

The user must fill in the fields with the new password and confirm it, after which he will be able to enter the medical record home screen again.
